Hope Faircloth Business Manager Funny thing about spirit,

you can't describe it

but you know it's there.

You can it as you walk d the

eei o

halls

It surges inside you when

that guy makes that touchdown

when you realize that that band out there on the field is

your band.

This is the spirit of SHS. It is pride

in yourself, your work, your school. It's not just yelling "we're number 1,"

it's working to make SHS no. 1.

"And there are memories softly echoing in your heart . . . those days how familiar they seem . . "

Pause to remember.

Listen to those echoes from the

"you know the feeling of something half-remembered, of something you've locked in your heart

and never will lose"

Strange how they all come back to you now.

They used to tell you that these

high school years would f-l-y by

but you didn't listen.

You were too busy working on floats, cheering at ball

games, serving in school clubs.

ool clubs.

Some of those teachers . . .

and all that homework,

didn't it give you a fit? But all the time you had one eye on the

future, on that senior year. You made friends

you had fun

you studied hard

you made plans.

And then it came. Not like you had expected. Sure there were more activities, you were

busier, but that last year came

so very quietly. And it went

so very quickly.

With it came privileges, pride, participation, that year when you kept trying to feel

as old as you thought you should feel by now. Now it's all over.

And you don't want to leave, do you? Somehow you long . . . to go back, to relive.

But no, you can't do that, my friend.

But do not weep.

Take your memories, your ideas . . . The world waits for y

The world waits for you.

The future is yours; do not be afraid.

As you go, carry a part of SHS with you.

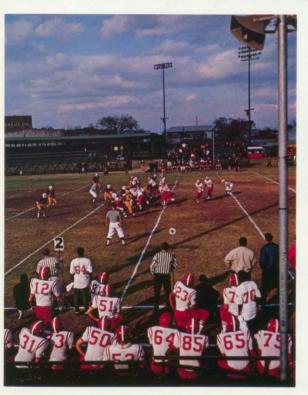

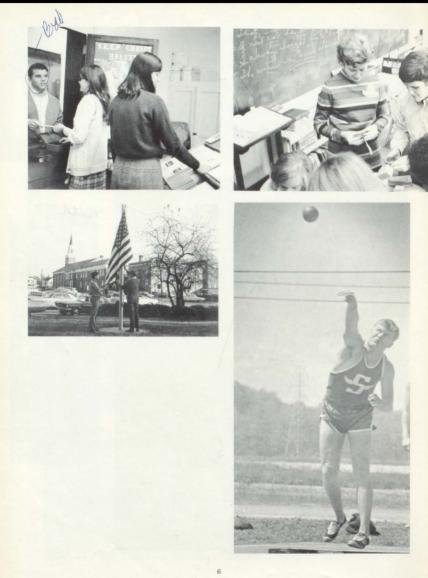

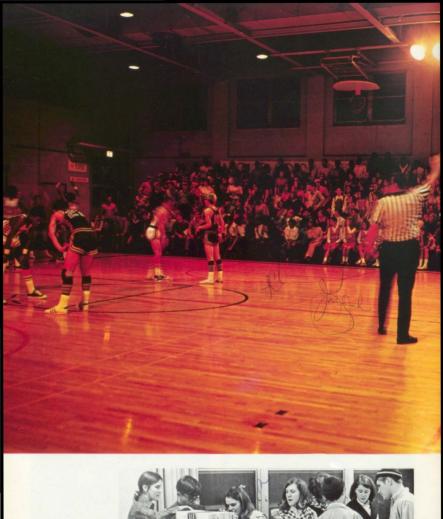

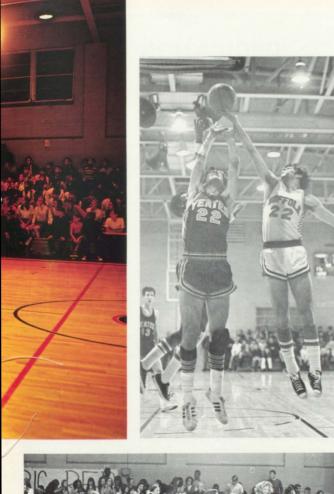

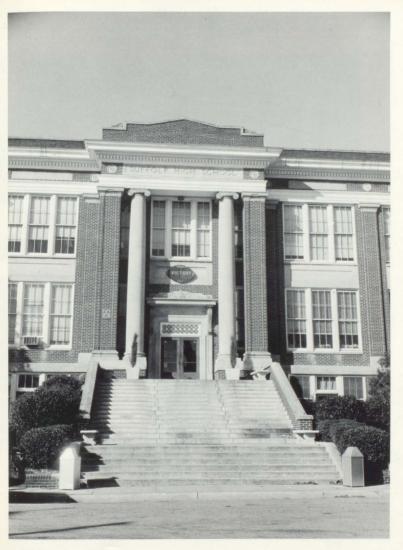

#### **DEDICATION**

The dedication of THE PEANUT has become one of the most meaningful traditions of Suffolk High School. This recognition comes annually to a faculty member who is honored and respected for his or her excellence of character, devotion to duty, and high standards of scholarship.

This year it is our privilege to name a person whose position enables her to be in close touch with the individual student, but it is her concern for the student and the warmth of her personality that have made her an inspiration to our entire school community. It is with love and gratitude that we dedicate this forty-eighth edition of our yearbook to

MRS. LEWIS R. WHITE

# ADMINISTRATORS AND TEACHERS

MRS. WILLIAM N. EDDY December 5, 1969

Mrs. Eddy was a member of the administrative staff of Suffolk High School for a number of years. She endeared herself to all of us with her always cheerful manner and her capable assistance. We, the Class of 1970, feel we have lost a good friend and we wish to honor her memory.

#### In Memoriam

MR. WILLIAM HILL KILBY January 16, 1970

Fifteen years ago Mr. Kilby came to Suffolk High School as an instructor in shop, industrial arts, and drafting. Many boys have felt indebted to him not only for the knowledge and the methods which he taught them, but also for the wise counseling he offered when they asked for it.

Seniors, by their own seniority, tend to collect honors and awards. Among the many and various designations, none is more coveted and appreciated than that of "Outstanding Senior". Not only does it crown twelve years of individual achievement but also testifies that by their own vote one's classmates recognize and applaud the accomplishments.

Several club members attended an officers training workshop at John Yeates High School and the district Hi-Y and Tri-Hi-Y meeting at Warwick High School. With this training, the officers hope to retrieve the lost interest which has hindered the club's activities in recent years.

The club sold Christmas Seals and helped the Salvation Army raise money for unfortunate families. Once a month the club attends church services at the various churches of the city along with the other Hi-Y clubs. At the beginning of the year, the Senior members gave a lawn party for the in-coming members. During National Hi-Y Week, the girls participated in giving devotions over the PA system and in giving the blessing in the cafeteria. For improved club leadership, members attended workshops and delegates were sent to MGA. For a money-making project the club sponsord "bum day" and planned a chow mein dinner. The freshmen and sophomore girls throughout the year promoted different worthwhile projects. For the Disabled American Veterans, the club sold forget-me-nots. At Christmas the girls served as volunteer workers for the Salvation Army and Tuberculosis Association. Usual rough initiation for "Mulletts".

During the past year the Key Club added much to the school. Raising the flag at football and basketball games helped create a sense of patriotism. They also aided the community by helping the Red Cross collect clothes and by keeping the booths for the Salvation Army. The main money making project was their annual light bulb sale. Also, they planned a dance for the student body to raise money for their Bobby Traylor Scholarship Fund.

#### INTERACT CLUB

Bill and Carter aided in painting the church which is seen when entering Suffolk.

The Interact Club is a world-wide organization sponsored by Rotary International. Its projects render service to their school, community, and nation. Their activities are many. The members usher at home football games, support a foreign orphan, act as pages for the city council, aid the T.B. association, support a Vietnam Day, raise money for a scholarship, and make posters for the United Fund. This club has done much in '69-'70 to uphold its record of the No. 1 Interact Club in Virginia.

#### LANGUAGE CLUBS

#### SPANISH CLUB

This year the Spanish Club has tried to make Suffolk High School more aware of the Spanish influence, especially on American youth, With such an able sponsor as Mrs. Alwood, who has lived in South America. the club has learned and accomplished much. At the joint Christmas Party, the Spanish pinata was constructed by various members of the club and filled with candy. Games played in Spanish and discussions on culture were some of the interesting programs enjoyed by members this year.

#### FRENCH CLUB

With the start of a new year, the French Club undertook and participated in various projects beneficial to the school as well as to the club. A talk by Wayne Holland on his recent European trip and by Mrs. Jack West on French art helped members gain a greater insight into French culture. At Christmas, carols were learned in French and sung during the annual Christmas Party, held with the other foreign language clubs.

This year's staff didn't stay up until four o'clock in the morning but we're pushing it. Led by Sally Butler, editor-in-chief, the senior staff, aided by the junior assistants, worked extremely hard in making those 15th of the month deadlines. Nancy Darden and Hope Faircloth were mainly responsible for obtaining ad contracts, typing the final proof sheets, and doing layouts. Elizabeth Everett as picture editor supervised in the production and identification of photographs. Serving in the position of copy editor was Anna Pat Hines. Tommy Davidson and Patrick Pierce assisted in writing the copy. Mrs. Burge Caton checked the copy in her role as the annual sponsor.

JUNIOR ASSISTANTS: Delane Williams, Mary Alice Webb, Beth Davis, Kay Pond, Jane Brinkley.

Mrs. Burge Caton, in her second year as sponsor of the Peanut, proved to be a valuable asset with her capable guidance.

### 1970 PEANUT PICKER

This year the Peanut Picker has gone through a number of changes in a never-ending battle to improve the paper. After an informative trip to the SIPA convention last spring, one of the co-editors, Martha Pruden, and managing editor Patrick Pierce spent a week at the annual summer workshop for high school editors at Virginia Commonwealth University. At the workshop, Pierce won one of two awards awarded by the Virginia Press Association for outstanding news writing. The Peanut Picker began experimenting with several formats before finally settling down to one organized procedure. With its new six column format, the 36 year old paper began publishing on a semimonthly basis beginning with the second semester. During the first semester, accompanying the Peanut Picker, the Peanut Hull was published as a supplement, edited by Tommy Twine. The Peanut Hull laid a good foundation for journalistic achievement which will be built upon by the Peanut Picker.

## RAIDER

Among the many new features of S.H.S. this year is a literary magazine: RAIDER WRITES, Many students felt we had some talented students at Suffolk High and that they should have a chance to express their talent. They also felt it would be a channel of communication between all of the students. It will be published three times a year: fall, winter, and spring. The motto of the publication is "A man writes what he is."

## INTER-CLUB COUNCIL

The Inter-club Council became a stronger part of the SCA this year with the Vice President of the student body, Edward Saecker, as chairman. Since the point system was abolished the council works on an honor system to determine the eligability of S.H.S. clubs. Each club is represented by a member who has the job of reporting his club's activities monthly. These reports serve as a check on the club's efficiency.

Spreading school spirit in all they do the '69-'70 Pep Club has been one of the most active organizations in our school. Many projects were undertaken, all with the same purpose—to boost the morale of the Red Raiders. During football and basketball seasons, the club surprised the players with a gayly decorated locker room to remind them that we were behind them 100%. Two days a week the members devote their afternoons to painting signs to support the team. To finance all these projects, the club sold miniature megaphones bearing the Red Raider Indian emblem.

The Future Teachers of America have spent much time this year promoting interest in teaching. The objectives of the FTA include learning more about the teaching profession and becoming aguainted with requirements for teaching. Each member gained vital experience by aiding a teacher. Programs consisted of teachers from various grades telling of their experiences in this profession. At Christmas many members learned of the gratitude of students through a party for the special education students at Andrew Brown. Its members ushered at Parents' Night and many attended various conventions in order to gain knowledge for their club and teaching career. The club has given these students a good start toward a future in teaching.

#### **FUTURE HOMEMAKERS OF AMERICA**

To carry out domestic affairs in the school, homes, and community, is the goal of the Future Homemakers of America. This club helps to preserve the ideals of the home life. It teaches students to work together in groups. Also it teaches to set high personal standards and to develop initiative and leadership.

#### DISTRIBUTIVE EDUCATION CLUB

One of the largest and most active clubs at SHS this year is the Deca Club. Everyone taking Distributive Education is encouraged by Mr. Miller, their sponsor, to participate in the various activities of the club. To serve as a continuation of the work-study program, meetings are held before school. Dinwiddee High School was the site of the annual Deca District Fall Meeting at which our school was represented by over 30 of the club's members. Through such a fine program as established by Mr. Miller, the club has become an instant success in the short time it has been in existence.

MEMBERS: ROW 1: Pres. Vick, V. Pres. Brinkley, Sec. Jones, Treas. Smith, Public Relation Beamon, Hist. Johnson. ROW 2: Parker, Hawkins, Kearns, Byrd, Warren, Webb, Hill, Mitchell Comer, Godwin. #### INDUSTRIAL COOPERATIVE TRAINING

In its second year, the Industrial Cooperative Program has grown into one of the busiest organizations in school. Holding its meetings before school, all members are required to work in order to remain in the club. One of the most worthwhile of their projects this year was their assistance to a family burned out before Christmas. To finance such services, the members sold candles. Under the expert leadership of Mr. Spellman, the officers and members have made the second year of the ICT program a most successful one.

MEMBERS ROW 1: Pres. Lawton, V. Pres. Figgs, Sec. Jones, Treas. Grady, Parl. Mitchell, Reporter Edwards. ROW 2: Jordan, Drewitt, Young. Craddock, House, Parker. ROW 3: Williams, Copeland, Garnett, Riposa, Covington, Sponsor Mr. Spellman.

Team Members: (SEATED AT TABLE): Austin, Co-captain Twine, Captain Pierce, Worrell, Bangley, Allen. STANDING: Lawton, Murden, McLemore, Mathews.

## DEBATE

The Debate Team through its activities gained knowledge which will be rewarding in the future. Debates are centered around one main topic. Before the debates many long hours are spent in preparation. However practice was rewarding, for at the University of Virginia during December this team won third place in Virginia for a Round Table Discussion. To meet expenses, the team sold programs at basketball games.

Members: ROW 1 (SEATED): Hurley, H. Crockett, K. Jordan, Kincaid. ROW 2 (SEATED): Sec.-Treas. Pierce, Vice President R. Jordan, Worrell, Murden. ROW 3: President Twine, Oliver, Speer, Jones, Briggs, Austin, Coppola, J. Crockett, Sponsor Mr. Young, Rock.

## SCIENCE

The Science Club strives to give its members an opportunity to work together and discuss ideas pertaining to science. Through planned programs, especially those in which the students themselves took part, members were able to learn new ideas pertaining to their science-oriented own hobbies and to increase their knowledge of other scientific subjects.

## S.H.S. VARSITY CHEER-LEADERS

Varsity Cheerleaders: Millie Dale, Lydia Ferguson, Martha Savage, Martha Kelly, Captain—Nancy Beville, Co-captain—Corinne Birdsong, Jane Brinkley, Betsy Hobbs, Sharon Anderson, Sara Ann Saunders.

In mid-July, after two weeks of vigorous practice, ten energetic girls went to Camp Farrar, Virginia Beach—the site of a five-day cheerleading clinic. Arising at 7:00 A.M., they put in long hours learning new cheers, practicing old ones, and perfecting their precision. Winning two "outstanding" ribbons was quite an achievement for our cheerleaders since it was their first time at camp. While living conditions were not the best, all ten girls agreed that it was a worthwhile adventure.

To encourage the school's support of our teams, pep rallies of a quite varied nature were presented. In all aspects of activity, whether entertaining at a pep rally, painting signs after school, or practicing for perfection, these girls portray the true spirit of SHS.

The Band participated in many parades such as the I. C. Norcom Homecoming parade.

One of the greatest assets to S.H.S. is the band under the direction of Mr. Frank Mesite. At half-time during the football season, the band provided entertainment for the fans. It also took part in several parades. The annual concerts were presented to the public, and all students were entertained by the band's assemblies. Our band attended the Spring Festival and some members were selected for the All-State Band. The school spirit was livened at the pep rallies and basketball games by the Pep Band. Of course the majorettes are an impressive representation of any high school. This talented group added that certain final touch to the marching band.

#### 1969 FOOTBALL TEAM

The '69 Raiders had much to live up to as the follow-up team after the '68 District Champions. Coached by Mr. Frazier and his staff and led by Captain Harden Barnett, the Raiders could certainly be proud of the season. Big Red started off with a very one-sided victory over Franklin, a team which the Raiders have slipped by only slightly the past couple of years. Suffolk hosted John Yeates for our first home game. Raider fans, shocked by Rebels' fast first touchdown in the opening minutes, were soon put at ease as Raider defense slowed J. Y.'s offensive progress and then Willie scored three times. Next, the Raiders, with the Tillery—Whitehead combination leading, shut out Group I Western Branch in a non-conference game. Also non-conference was Suffolk's game with Norfolk Catholic; though somewhat slowed by rainy weather and a muddy field our team repeated the exact score of the week before with a 22—0 victory.

Naturally, a big event was the Raiders' defeating a strong Forest Glen team at the Rangers' homecoming. The Southampton Indians were the next foe and the Indians suffered a crushing defeat at the hands of the Raiders in a game Coach Frazier termed a "revenge game" for the time Southampton beat Suffolk three years ago by the same lop-sided score. The Raiders traveled to Smithfield for the Packers' homecoming and lost 6–16, but had no reason to be embarrassed by their performance that night. However, we did suffer some injuries in this encounter which had not entirely mended by the following week when the Red Raiders met the Windsor Dukes in the 24th annual Peanut Bowl game. Both teams, still contending for high honors in district play near the end of the season, were fairly evenly matched as the score of 6–6 indicated. Our next rival, Poquoson, proved no match for the Raiders as the scoreboard depicted a 47–0 victory for us. David Babb picked off four Poquoson passes to finish the day with a record for individual interceptions in one game. In the final game, in which Suffolk defeated Gloucester, Willie Whitehead broke his own rushing record.

Suffolk placed four men on the All-District First Team as chosen by the district coaches. On offensive team were Dwight Darden, Michael Gay and Willie Whitehead. Randy Carter was voted on the defensive team as a middle guard. A number of good players made the Raiders a great team and besides those already mentioned Haskins, Young and Saunders made significant contributions to its success. With an impressive record of eight wins, one loss, one tie, the mighty Raiders tied for second place in District standings.

John Coppola (20) thwarts a Franklin ground attack as the Junior Varsity stopped the little Broncos 6–0 in the season opener.

The '69 JV Football Squad, coached by Mr. John Bunch and Mr. Robert Young, ended the season undefeated. Their impressive record included shutting-out four of the six teams played. In the first game, the "Little Raiders" beat Franklin JV's 6-0. Highlight of this game was a 45-yd touchdown pass from Beamon to Mizelle. Next on the schedule of play was Windsor. The defensive team made a fine show when they held the Dukes on our own 1-vd line for four downs. In the Norfolk Catholic game the JV's came from behind to tie the Crusaders 12-12 with a score in the last minutes of the game. The Raiders suffered a disappointment when two touchdowns they made during the Southampton game were called back. Coming from behind, the JV's did manage an 8-8 tie with the Indians. Defensively the Raiders excelled in the J.Y. game. Lloyd Hardin and Calvin Young led the defensive squad as Beamon-Mizelle team scored. In the final game the Rangers were defeated 14-0.

#### 1969-70 BASKETBALL TEAM

The Red Raiders basketball team was in a unique position as it began the 1969-70 season. Not only did they have district and a state championship to defend, but they also had a new coach. However, Bill Owen was no stranger to basketball.

"I feel I was a unique position," Owen said. "I had worked with them as JV coach and last year as assistant coach. It wasn't like stepping into a new situation. But, even though I've worked with them before, the difference in degree of pressure as assistant coach to head coach is different. Coaching the defending state champs adds more pressure to the task and to the players as well."

The, Raider cagers began their season on Dec. 9, with 88-52 thumping of the Chargers of John Yeates and did likewise to Gloucester, 60-31. Facing their first serious challenge of the young season the Raiders, paced by Peter Mitchell's SHS record of 48 points, blitzed Southwestern 83-71. The next two games, one in 1969, the other beginning 1970 proved to be the ole dark spots through the visitation season. Plagued by the home court vantage, the Raiders "got beat by Forest Glen" 51-44. Summing this one up, Owen remarked "We got beat by a good team effort, not a good team." This loss was to be revenged, as was the next game, a loss to Windsor 72-65. It was an extremely hard loss for Suffolk and Coach Owen to take for it was the first time the Dukes had beaten SHS in basketball. Rebounding with a 72-41 rout of Southampton, the Raiders continued, dropping Northampton, 74-58, stepping Smithfield 70-60, avenging Windsor 57-42, stomping Central 74-40, Franklin 61-45, and facing a psyched-up John Yeates team, beating them 70-60.

Facing the toughest team of the year, Hayden of Franklin, the Raiders were out played, but not out thought or out coached, bowing to the Wildcats 87-69. Traveling to Riverview the following Friday, the Raiders, back to normal, trounced the Eagles 90-65, humiliated Poquoson 83-44, and defeated the Broncos of Franklin again 55-38. Another good night for Mitchell, he scored 44 points as the Raiders edged the Packers of Smithfield again 73-72. Raiders finished the season with a revenge win over Forest Glen, 58-51.

#### JUNIOR VARSITY BASKETBALL TEAM

The 1969-70 JV Basketball team had a great season. The Little Raiders, coached by Mr. Bunch, were undefeated. Games which were the standouts of the season included an overtime win over Northampton's JV's, a close game with BTW JV's, and a win over Hayden — Coach Bunch's nick as the bovs' best game of the season.

Coach Bunch felt the team owed its success to a good nucleus of returning players, teamwork, and support by parents and student fans.

Earl Ruffin and Co-capt. Danny Lawrence led the Raiders in scoring. Co-Capt. Sandy Saunders excelled defensively in games. Also seeing a good deal of action were Donnie Beamon and Brian Holidav.

#### **SPRING SPORTS**

GOLF TEAM '69: Benji Ellis, Gregg Crow, Mitch Wilcox, Mickey Leggett.

The two major powers in Suffolk's spring sports were the SHS tennis and track teams.

The tennis team, expected to repeat as state unclassified (Group I-B, II, and III) champions, did not attain this goal. Coach Bill Peachy led the team through the second toughest schedule among high schools in Virginia. The Raiders managed a 7-7 record and defeated Gar-Field in the Eastern Sectionals, 9-0. The netmen were thwarted in their state title bid by Harrisonburg, 5-4, in Charlottes-wille

The track season was highlighted by the performance of 1969 graduate James Blanchard, said by many to be the greatest trackman the Raiders have ever had. Blanchard was voted Most Valuable in the Suffolk-Nansemond Jaycee Invitational Meet, and be broke school records in the high hurdles (15.2 sec.), the low hurdles (20.75 sec.), and the high jump (5°10½"). The cindermen compiled a record of seven wins in eleven meets and finished third in the District meet. Blanchard, along with Danny Lawrence and Terry Edwards, represented Suffolk at the State Group II meet in Lynchburg.

The Red Raider baseball team, however, did not see many bright moments. The Suffolk nine, led by Mr. Lewis R. White, managed only 3 victories in District I, Group II competition. The chief reason for their 3-10 record was the fact that the team boasted only 3 veterans and lacked experience.

Another team hurt by lack of experience was the golf team. Mr. John Miller, SHS DE coordinator, coached the linksmen through an 0-13 season.

Rodney Jordan, Sally Butler, Tommy Twine, and Jimmy Newsom were National Merit winners and Who's Who in American High Schools.

Randy Carter, Dwight Darden, Michael Gay, and Willie Whitehead were the Raiders who were chosen for the All-District Football Team.
